  - Explain to the customers the various ST. URIEL support program options available for the Products & Services.

#### 4 **PRICES, ORDER, PAYMENT, REPORTS, FORECAST, RECORDS & AUDITS**

- 4.1 **Prices.** The prices for Products & Services are set forth in the Price List, which shall be sent to the Partner via email each time there are changes to the Products & Services, or changes to the pricing. ST. URIEL reserves its exclusive rights to make changes to the Products & Services and their pricing. Partner will pay ST. URIEL the prices in the Price List for the Products & Services based on the Partnership Level they have qualified for.

With respect to each Product & Services, ST. URIEL may change its recommended

retail price (RRP), Price List, or Partner discount from time to time upon written notice to Partner. All prices at which Partner may purchase Products & Services from ST. URIEL are determined solely by ST. URIEL.

If ST. URIEL increases its pricing with respect to any Product (a Product revision with a different part number will not be considered the same Product), ST. URIEL will give Partner notice of such increase via the next Price List. ST. URIEL will honor the old price for any shipments of such Product already in transit to Partner. All additional Orders following a price change will be shipped at the new price.

If ST. URIEL decreases its Partner Price for any particular Product (a Product revision or a previous version with a different SKU number will not be considered the same Product), the decrease will apply to all units of such Product (A) in Partner's inventory that are in an unopened, purchased within the last 90 calendar days, saleable condition (without price tags, stickers or labels, clean, undamaged, unused and complete) and in the original packaging as of the effective date of the decrease, and (B) in transit to Partner as of the effective date of the decrease; provided that in each case Partner has delivered to ST. URIEL a full stock and sales report on a monthly basis – this will be considered written evidence. Such written evidence shall consist of (i) an inventory report of such Product showing the number of each unit of such Product for which Partner claims price protection eligibility hereunder, and (ii) a summary of such report statement on Partner's letterhead, signed by Partner. ST. URIEL will issue a credit on Partner's account applicable only to future Orders from ST. URIEL under their Agreement in an amount equal to the decrease for each unit of such Product eligible to receive price protection in accordance with this Section.

- 4.2 **Payment.** Payment terms shall be in accordance with that reflected in the invoice from ST. URIEL to the Partner for each purchase.

All prices are exclusive of applicable taxes. Partner shall pay ST. URIEL by wire transfer to a bank account, designated by ST. URIEL, the amount set forth on ST. URIEL's invoice prior to the arrangement of delivery for Products & Services.

Partner is responsible for collecting and paying all sales, use and similar taxes, excluding taxes on ST. URIEL's net income resulting from the sale and distribution of the Products & Services. Partner agrees to indemnify ST. URIEL for any claim for such taxes. Partner represents and covenants to ST. URIEL that all Products & Services acquired hereunder will be for resale in the ordinary course of Partner's business, and Partner agrees to provide ST. URIEL with appropriate resale certificate numbers and other documentation satisfactory to the applicable taxing authorities to substantiate any claim of exemption from any such taxes or fees.

- 4.3 **Ordering.** Product orders may only be placed via ecommerce platforms, facsimile or email (each an "Order"). All Orders must clearly indicate the bill to address, ship to address, shipping method, requested delivery date, purchase order number, quantity, ST. URIEL part number and description, unit price and extended price. Emailed orders should be sent to 'orders@sturiel.com' with your primary sales contact also added on copy.

Any Order placed with ST. URIEL is subject to acceptance by ST. URIEL in ST. URIEL's sole discretion. ST. URIEL may decline any Order, in whole or in part, and unless ST. URIEL accepts an Order in writing, the Order is considered accepted only to the extent it is fulfilled by ST. URIEL's shipment of Products & Services. Notwithstanding ST. URIEL's acceptance of any Order, ST. URIEL reserves the

right to cancel or delay shipment to Partner if Partner is in breach of its Agreement.

Order inquiry and Product availability may be obtained by contacting us (contact@sturiel.com). Please be prepared to provide a purchase order number to expedite the inquiry.

ST. URIEL will attempt to expedite Orders by making partial shipments, unless Partner advises ST. URIEL in its Order that it does not wish to receive partial shipments. Partial shipments will be invoiced separately and must be paid, without regard to subsequent deliveries. In the case of bundles (i.e. more than one product sold together under the same SKU), ST. URIEL will ship only complete bundles unless Partner requests otherwise.

ST. URIEL reserves the right to assess against Partner a refusal fee equal to fifteen percent (15%) of the invoice value if Partner refuses to accept a Product delivery (or portion thereof); except that Partner may refuse to accept Product that Partner could properly return to ST. URIEL.

- 4.4 **Shipping and Freight.** ST. URIEL will be responsible for carrier selection and routing instructions. Unless set forth to the contrary in the Agreement, all Products & Services are delivered F.O.B. Destination, and title transfers upon delivery at that point. ST. URIEL's prices include standard shipping and insurance to the F.O.B. point specified therein; however, standard transportation does not include Partner requests for specific carriers or for expedited shipments.

If agreed to by ST. URIEL in advance in writing, ST. URIEL will use reasonable efforts to ship Products & Services in accordance with Partner's instructions and via Partner's preferred shipping account. In such event, all freight, insurance and related expenses will be Partner's responsibility.

ST. URIEL will use reasonable efforts to meet Partner's requested delivery schedules for Products & Services. Should Orders for Products & Services exceed ST. URIEL's available inventory, ST. URIEL will allocate its available inventory and make deliveries on a basis ST. URIEL deems equitable, in its sole discretion, and without liability to Partner on account of the method of allocation chosen or its implementation. In any event, ST. URIEL will not be liable for any indirect, consequential, special or other damages, to Partner or to any other person for failure to deliver or for any delay or error in delivery of Products & Services for any reason whatsoever.

Upon receipt of any shipment, Partner shall promptly inspect the Products & Services for damage, defect, or other non-conformance. If any Product is damaged, defective, or otherwise nonconforming, Partner must not offer the Product for sale, must report the defect to ST. URIEL at 'contact@sturiel.com', and may return the Product to ST. URIEL pursuant to the procedures set forth below.

All shipments shall be deemed correct as to the number and type of Products & Services shipped, unless ST. URIEL receives from Partner written notice within three (3) calendar days after the original shipping date of the given shipment. Partner's written notice must include the purchase order number, and the exact nature of the discrepancy between the Order and shipment in number or type of

Products & Services shipped. For under shipments, ST. URIEL shall (if applicable) issue an explanation of the charges or a credit to Partner's account within forty-five (45) calendar days of receipt of such written notice from Partner. Any over shipments or shipments of the wrong Product SKU must be returned in accordance with the terms below.

- 4.5 **Reports.** Partner will provide to ST. URIEL a weekly/monthly electronic report in the format requested by ST. URIEL ("Report"). The Report shall include weekly/monthly Product stock and inventory levels (including items in transit), weekly/monthly Product sell through/point of sale information, and any other information reasonably required by ST. URIEL. ST. URIEL acknowledges that all Reports are confidential and proprietary to Partner, and shall be deemed Partner's "Confidential Information" under the Agreement.
- 4.6 **Forecast.** Upon request by ST. URIEL, Partner agrees to submit to ST. URIEL a monthly non-binding, good-faith forecast, in the format to be supplied by ST. URIEL, being a best estimate of Partner's monthly requirements for Products & Services during the following six (6) months.
- 4.7 **Records.** For four (4) years after each calendar quarter during the term of this Agreement, Partner shall maintain and keep, at Partner's principal office, full, complete and accurate records relating to Partner's performance under this Agreement during each such quarter, including the quantity and price of Products & Services sold.

- 4.8 **Audit Rights.** Upon reasonable advance notice, and not more than twice during any twelve (12) month period, ST. URIEL, or an independent third party auditor appointed by ST. URIEL, may audit Partner's records relating to Partner's performance under this Agreement, including without limitation distribution of Products & Services, to determine Partner's compliance with this Agreement. Upon ST. URIEL's request, Partner shall provide a knowledgeable employee to assist ST. URIEL in such audit. Partner shall promptly pay to ST. URIEL any shortfall revealed during such audit, with interest at the highest rate permissible under applicable law. Furthermore, if such shortfall over any three (3) month period is greater than five percent (5%) of the amount actually paid to ST. URIEL for such period or if Partner is found to be in material breach of this Agreement, then Partner shall reimburse ST. URIEL for its reasonable out-of-pocket expenses incurred during such audit in addition to payment of such shortfall and interest and curing of such breach (as applicable).

## 5 **PRODUCT HANDLING, ALTERATIONS, RETURNS, RECALLS**

- 5.1 **Product Handling.** Partner shall store Products & Services in a cool, dry place, and in accordance with any additional storage guidelines specified by ST. URIEL.

- 5.2 **Alterations Prohibited.** Partner shall sell the Products & Services in their original packaging. Relabelling, repackaging (including the separation of bundled Products & Services or the bundling of Products & Services), and other alterations are not permitted. Partner shall not remove or alter any Product label or any literature accompanying the Product. Partner shall not alter, deface, or remove any UPC code, serial number, or any other identifying code on any Product.

- 5.3 **Product Returns.** Subject to the terms of the Agreement, ST. URIEL will accept Product returned by Partner only in the situations listed below in this subsection 5.3. These policies apply only to all active Product SKUs on the then-current Price List:

i) A shipping or Order-processing error has been made by ST. URIEL such that ST. URIEL shipped excess Products & Services that Partner did not order, or the wrong type of Products & Services. As the Order is based on FOB shipping terms, the Partner needs to ensure that the Order is accurate prior to them shipping to their destination. Partner must notify ST. URIEL of the error in accordance with provisions herein and request an RMA within Seven (7) calendar days of the original shipping date of the erroneous shipment. In the case of Product shipped at ST. URIEL's error, ST. URIEL will pay freight costs for the returned Product, provided Partner complies with ST. URIEL's shipping instructions and uses ST. URIEL's selected freight carrier.

ii) ST. URIEL shipped Product to Partner that either (x) did not conform to ST. URIEL's standard end-user warranty and Partner notified ST. URIEL within the applicable end user warranty for such Product or (y) was significantly damaged (and such damage was attributable to ST. URIEL) during shipment ("Defective Product"). Defective Product must be returned to ST. URIEL within Fourteen (14) calendar days of the shipment date of Partner's most recent Order of that particular Product SKU. In addition, upon request, ST. URIEL may, in its sole discretion, elect to extend the time period for such returns on a case by case basis. ST. URIEL will issue defective RMA requests for any single Partner no more frequently than once per week.

No request for RMAs for Defective Product will be issued after the applicable warranty period. ST. URIEL will pay freight costs for any replacement Product shipped to Partner.

5.4 Prior to returning any Products & Services to ST. URIEL that qualify under this Section, Partner must:

- Obtain a Return Materials Authorization ("RMA") Request Form, fill it out accurately and completely, and send it to the ST. URIEL Support Centre. Within Seven (7) business days of receipt, the ST. URIEL Support Centre will issue, via fax or email, a RMA with a number, a ship-to address, and the list of Products & Services eligible for return. Products & Services may only be returned within Fourteen (14) calendar days of ST. URIEL's RMA issuance, unless the time period of returns has been extended by ST. URIEL.
- Use shipping labels on each of the cartons being returned.
- Write Partner's RMA number on the shipping label and place the label on the box exterior.
- Include a packing list that sets forth the number and type of all Products & Services included in the RMA shipment.

5.5 Unless otherwise expressly provided above, ST. URIEL will pay freight costs for Product returned to ST. URIEL in accordance with the above, provided Partner complies with ST. URIEL's shipping instructions and uses ST. URIEL's selected freight carrier (or such other carrier as the parties mutually agree in writing). Partner must provide a packing slip per carton for all returned Products listing the type and number of Products being returned and the reason for return in each case (i.e. warranty issue, or stocking balancing). Different kinds of permitted Product returns may be shipped to ST. URIEL on the same pallet so long as each return is clearly identified by its different RMA number. Furthermore, in the event ST. URIEL receives Product returns shipped in violation of the return procedures listed herein, ST. URIEL will notify Partner and (if reasonably possible) provide Partner an opportunity to correct such violation before returning such Product to Partner. ST. URIEL will return to the Partner, at Partner's expense, all Products shipped in non-compliance with the return procedures listed within this Section ("Non-Compliance"). Non-Compliance includes, without limitation, shipping Products & Services without proper authorization, shipping Products & Services to an incorrect location, returning non-defective, unopened Product as defective, and packaging Products & Services incorrectly. Partner shall pay ST. URIEL a restocking fee equal to fifteen percent (15%) of the invoice value of returned Product shipped to ST. URIEL in Non-Compliance.

5.6 In exchange for such returned Products & Services, Partner will receive a credit to their account based on the lower of (i) the Price List price for the Product then-applicable to Partner, or (ii) the net price most recently actually paid by Partner for the Product. No credit will be given to Partner if, at the time of the requested return, Partner is in breach of any provision of its Agreement or the BPP, including without limitation failure to comply with any payment terms, provided that any such amount due to ST. URIEL has not been properly contested by Partner in good faith.

5.7 No RMA Product will be accepted at ST. URIEL during the last seven (7) business days of the fiscal quarter without ST. URIEL's prior written approval, and any such

Product arriving at ST. URIEL during such period will be returned to Partner at its expense; provided, however that if such RMA Product is shipped to ST. URIEL reasonably intending to arrive before the last seven (7) business days of the fiscal quarter but such shipment is delayed for reasons outside of Partner's control so that it arrives within the last seven (7) business days of the fiscal quarter, such shipment will not be rejected solely for non-compliance with this subsection (e). This Section 7 sets forth ST. URIEL's sole liability and Partner's sole and exclusive remedy with respect to any Defective Product, Product subject to shipping or Order-processing errors.

- 5.8 **Recalls.** Partner shall promptly comply with whatever request may be made by ST. URIEL relating to any law or expectation thereof or the modification or recall of any Product.

## 6 **PROPRIETARY RIGHTS**

- 6.1 **Ownership of Products & Services.** As between the parties, ST. URIEL is the sole and exclusive owner of all intellectual property rights related to or embodied in the ST. URIEL Products & Services, and all modifications, translations and enhancements thereto; AND the respective brand owners ("Suppliers") are the sole and exclusive owner of all intellectual property rights related to or embodied in the Distributed Products & Services, and all modifications, translations and enhancements thereto.

All rights not expressly granted by ST. URIEL in the Agreement are hereby reserved by ST. URIEL, its suppliers, and its partners. Neither Partner nor its customers are entitled to receive any source code or source documentation relating to the Products & Services, and obtaining and retention by any means, of any such source code without ST. URIEL's prior written consent shall constitute a material breach of this Agreement. Partner shall promptly report to ST. URIEL any violations of ST. URIEL's end user license agreement for any software or mobile application associated with Products & Services, and any adverse Product performance and quality issues that may become known to Partner. ST. URIEL grants no rights or licenses to Partner on behalf of third-parties, and Partner acknowledges that it receives no rights or licenses from or related to third parties under this Agreement.

- 6.2 **Restrictions.** Partner shall not: (i) disassemble, decompile or otherwise reverse engineer the Products & Services or Software, or otherwise attempt to learn the source code, structure, algorithms or ideas underlying the Products & Services or Software (except and only to the extent this clause is expressly prohibited by applicable law), (ii) copy or modify the Products & Services or Software, (iii) remove any names, designations or notices from any Product or Software, (iv) export outside of the Territory any Product, technology or information it obtains or learns pursuant to this Agreement (or any direct product thereof), or (v) allow others to do any of the foregoing.

- 6.3 **Trademark License.** Trademarks means ST. URIEL's then-current names, marks, logos, and other identifiers for the Products & Services ("Trademarks"). This Agreement does not grant either party the right to use the other party's trademarks. Subject to ST. URIEL's trademark policies, which may be amended from time to time in ST. URIEL's sole discretion, and the terms and conditions of this Agreement, ST. URIEL hereby grants to Partner a non-exclusive, non-transferable and non-sublicensable license to use ST. URIEL's Trademarks in the Territory during the term of this Agreement solely on or in connection with the promotion, advertising and resale of the Products & Services. Partner will

promptly discontinue the display or use of any Trademark to change the manner in which a Trademark is displayed or used with regard to the Products & Services when requested by ST. URIEL. Other than the express licenses granted by this Agreement, ST. URIEL grants no right or license to Partner, by implication, estoppel or otherwise, to the Products & Services or any intellectual property rights of ST. URIEL. Partner shall observe all directions and instructions given to it by ST. URIEL in relation to the marketing, advertisement and promotion of the Products & Services. Upon ST. URIEL's request, Partner will submit any specimen of Partner's use of the Trademarks to ST. URIEL, and ST. URIEL may retain such specimen. As between the parties, ST. URIEL is the owner of all Trademarks, and any goodwill from the use of such ST. URIEL's Trademarks by Partner shall inure exclusively to ST. URIEL.
